Participation Statement: Climbing and bouldering are activities with a danger of personal injury. Although the Wall is an artificial environment, many of the risks involved are no less serious than when climbing outside on a crag or boulder. Parents of participants in these activities should be aware of and accept these risks before allowing their children to take part. Participants who climb beyond their capabilities on any indoor wall are likely to fall. Any fall may result in an injury despite the safety systems in place to avoid it. You must make your own assessment of the risks before you provide consent for your child to climb.

Legal Jibber Jabber: The Legal Jibber Jabber is important, is intended to be legally binding and sets out the terms and conditions that govern our agreement with you.

Privacy: Our Privacy Policy (available on our website, www.thewall.ie, and from reception) sets out our data processing practices and your rights and options about how your child's personal information is used and collected.
